The Chippewa-Eau Claire Metropolitan Planning Organization (MPO) announces the schedule for the development and approval of the **Transportation Improvement Program for the Eau Claire Urbanized Area 2018-2022** (TIP). This document will include a listing of state- and federally-funded transportation projects currently programmed for the 5-year period and the prioritization of Surface Transportation Block Grant-Urban projects for the 2021-2022 biennium. The TIP also satisfies the public participation requirements of the program of projects to transit grantees funded by the Federal Transit Administration.

The MPO is currently soliciting projects from member municipalities for inclusion in the TIP. All projects must be consistent with the adopted Long-Range Transportation Plan for the Chippewa-Eau Claire Metropolitan Planning Area 2015-2045.

A draft list of transportation projects programmed for the years 2018-2022 will be available for public review on Monday, August 14, 2017.
