

Grant Writing & Administration

West Central Wisconsin Regional Planning Commission (WCWRPC) has a proven grant-writing track record and extensive experience in grant administration. We provide this assistance at a regional level as well as to counties, municipalities, and non-profit organizations. We can help you investigate potential funding sources, piece together complex funding programs, write and coordinate grant applications, and administer project funding. Our success rate is among the best in the state. Let us partner with you in making your project or program become a reality.

Following are examples of funding sources that have been secured by WCWRPC:

● **Economic Development:** Economic Development Administration-Public Works, Revolving Loan Fund, and Technical Assistance Funding; Wisconsin Department of Commerce-CDBG & CBED Programs; USDA Grant and Loan Programs

● **Housing:** Wisconsin Department of Commerce-Home, HCRI, and LHOH Funding; USDA Rural Development-Grant and Loan Programs; Foundation Funding

● **Infrastructure:** Wisconsin Department of Commerce-CDBG Programs; USDA Rural Development-Grant and Loan Program; Wisconsin DNR-Clean Water Fund; Wisconsin DOT-Transportation Economic Assistance; Safe Routes to School Infrastructure Program

● **Planning:** Wisconsin Department of Administration-Comprehensive Planning Grant Program; Wisconsin DOT-Safe Routes to School Planning Grants; Wisconsin Emergency Management-Hazard Mitigation and Pre-Disaster Mitigation Grant Programs

● **Other Funding Sources:** FEMA-Firefighter Assistance Grants; Ag Marketing Resource Center Funding Program; Wisconsin Office of Energy Independence-Energy Efficiency and Conservation Block Grants; Wisconsin DNR-Knowles-Nelson Stewardship Grants

Give us a call to consult on your project. Our skilled staff would be happy to assist in developing creative funding solutions to move your project forward.
